

# WILDWATER BOATS STATISTICS

During the official boat control at the Senior Wildwater World Championships 2006 some statistics were made to help athletes and trainers have a clear vision of the sport.

Statistics provided with this work are only concerning boats that did participate at the 2006 World Championships in Karlovy Vary. It is clear that boat use must be different in each country.

Most of the boats were checked; some athletes presented 2 or 3 boats.
